

MERIDIAN MEDICAL ARTS CHARTER HIGH SCHOOL

Community Service Information and Location Ideas

At MMACHS we care about our community and want to make it a better place as well as develop compassion and good character in our students.

Students are required to complete 20 hours of community service, with 10 hours being medically related. Approved and documented community service is due by March 1 of their freshman year. Students will be responsible for giving a Power Point presentation in their Freshmen Cornerstone class. Students are highly encouraged to take pictures and document their activities. If you have questions contact Mrs. Becky Smith at smith.becky@westada.org.

Service to family or your family owned business, churches, Boy or Girl Scouts cannot be used to satisfy MMACHS community service hours. Any service for which a student receives payment cannot be used.
