Meridian Medical Arts Charter High School (MMACHS) was established in the fall of 2003 as a public charter school that operates independently within the existing local school district. The education program is a career & technical approach to prepare students for post secondary education and a career in the health sciences. Meridian Medical Arts Charter High School is a four-year comprehensive public senior high school with a current co-educational enrollment of approximately 199 students. Meridian is ten miles from Boise which is the state capital.

## **SCHOOL DESCRIPTION 2017-2018 year**

<u>Faculty:</u> 17 Faculty Members 70% have advanced degrees	<u>Student Body:</u> Seniors: 45 Juniors: 52	Sophomores: 49 Freshmen: 47
--------------------------------------------------------------------	----------------------------------------------------	--------------------------------

## **ACCREDITATION**

Fully accredited by the Northwest Association of Accredited Schools, AdvancED

## **CLASS DURATION**

Traditional block schedule  
90-minute classes alternating every other day

## **CURRICULUM**

Every course is integrated with the principles of health care. In every class, students learn how content material is important to health care providers and how to apply it in the health care field.

## **GRADING SCALE as of 2014**

**A = 4.0 = 90-100**  
**B = 3.0 = 83-89**
