Jack Eichel, center: The **Buffalo Sabres selected** Eichel with the No. 2 pick of the 2015 draft, but until this season - his second with Vegas after a 2021 trade - he had never experienced the playoffs. Eichel seems to be making up for lost time, leading the Golden Knights in scoring (18 points on six goals and 12 assists) during the postseason for Coach Bruce Cassidy.

Adin Hill, goaltender: Hill, one of five goaltenders to mind Vegas's net this season, took over for an injured Laurent Brossoit in the second round and has compiled a .937 save percentage in 11 games, tops among playoff goalies. Hill's contract is up after this season, and he could garner significant free agent interest thanks to his postseason play.

William Karlsson, center: Karlsson leads the Golden Knights with 10 postseason goals - he scored five against the Dallas Stars in the Western Conference finals and has goals in all three of Vegas's series-clinching wins – even though he is often dispatched to shut down the opposing team's top offensive threats.

set the NHL record with 135 points during the regular season. Florida then jumped all over Toronto, beating the favored Maple Leafs in five games. In the Eastern Conference finals, the Panthers swept the Hurricanes, who had compiled the second-most points in the NHL. There were fewer sur-

Boston Bruins, who had

Who is favored to win the Stanley Cup?

The Golden Knights are listed as -125 favorites to win the Stanley Cup at DraftKings Sportsbook, which means you would need to bet \$125 to win \$100. The Panthers are +105 underdogs (meaning a winning \$100 bet would net \$105).

What is the Panthers' and Golden Knights' history in the Stanley Cup finals?

The Panthers reached the Stanley Cup finals in 1996, when they lost to the Colorado Avalanche in

The Golden Knights are only in their sixth season but have reached the Stanley Cup finals in two of them. Vegas lost to the Washington Capitals in their first year as an expansion team in 2018.

What is the Stanley Cup?

Standing 35¹/₄ inches tall and weighing 37 pounds, the Stanley Cup is probably the most recognizable trophy in all of North American sports. The NHL champion's players get their names engraved on it - currently, there are 2.497 names on it - and they also get to spend a day with it over the summer. The trophy is named for Lord Stanley of Preston, who donated it as an award to Canada's top amateur hockey team in 1892, and is considered the oldest existing trophy to be awarded to a North American professional team.
