Dear Ms. Earnest,

Thank you for trusting Walsworth Yearbooks to print your school's yearbook. This letter acknowledges our term contract with you for the 2021-2022 school year.

Your dedication and commitment to your students and your school community is commendable. During this challenging time, which brings many emotions, your devotion to producing the yearbook will create a cherished keepsake of priceless memories and an important historical artifact that your students will value. The yearbook will document this unprecedented school year for future generations by those who know it best – your own students. Again, thank you for all you are doing.

It is our honor to partner with you in this important endeavor. All of us here at Walsworth, from the print bindery operators, to your sales representative Jake Lee, to the office of Don Walsworth, our company president, are here to support you and your yearbook staff as you create your yearbook.

Once again, thank you for choosing Walsworth Yearbooks. If I can offer any assistance, please contact me at 800.369.2965, ext. 2060.

Sincerely

Jeff Bell
